

LETTER OF CONFIRMATION GRANTED TO TIMOTEO ALFREDO

Dear Sir, Madam,

Hereby we confirm that Mr. Timoteo Alfredo is – as a freelance reporter in Maputo – working for our video channel called ‘Cool Down the Planet’.

Cool Down the Planet is a platform that aims to produce and post basic journalistic video reports about the impacts of global warming on all continents, and have them recorded by young professionals.

We asked Timoteo to travel to Beira and report about the aftermaths of the disastrous cyclone Idai and the floodings that followed. In Beira he will probably have video interviews with victims, aid workers and the mayor of the city. Please turn to us with further questions.

Sincerely,
Roelf van Til
Initiator and project leader ‘Cool Down the Planet’
